# STATEMENT OF MANAGEMENT COMMITTEE'S RESPONSIBILITIES

### FOR THE PERIOD ENDED 31ST MARCH 2017

The committee is responsible for preparing the financial statements in accordance with applicable laws and regulations.

Legislation requires the committee to prepare financial statements for each financial year end. Under that law the committee have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable laws). The committee must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the organisation and of the surplus or deficit of the organisation for that period.

In preparing these financial statements we are required to:-

Select suitable accounting policies and then apply them consistently;

Make judgments and estimates that are reasonable and prudent;

State whether applicable accounting standards and statements of recommended practice have been followed and give details of any departures;

Prepare the financial statements on the going concern basis, unless it is inappropriate to assume that the organisation will continue to exist.

The management committee is responsible for keeping proper accounting records which, at any time, disclose with reasonable accuracy the financial position of the residents organisation and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014.

The management committee is also responsible for maintaining a satisfactory system of control over the accounting records and transactions and for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report is made solely to the organisation's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the organisation's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the organisation's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Scope of the audit

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the organisation's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Committee of Management; and the overall presentation of the financial statements.

In addition we read all the financial and non financial information contained in the committee's report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatement or inconsistencies we consider the implications for our report.

#### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the organisation's affairs as at 31st March 2017 and of its income and expenditure for the period then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and the Cooperative and Community Benefit Societies Act 2014.
- in our opinion the information given in the Committee's annual report for the financial year for which the financial statement are prepared is consistent with the financial statements

#### Matters on which we are required to report by exception

- the organisation has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account; or
